Applicant is given **one month**, or thirty (30) days, whichever is longer, from the **mail date** of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a Quayle action. DETAILED ACTION

Response to Amendment

The reply filed on July 12, 2006 is not fully responsive to the prior Office Action because: Applicant may not traverse a Requirement for Information. If applicant believes that the Requirement was made in error, the appropriate response is a petition. See 37 CFR 1.105 and MPEP 704.12 (c) and 704.14(c). Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a). **The period for response continues to run from the date of mailing of the last Office Action on April 12, 2006.**

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
